

MOPAR MUSCLE CARS OF AUSTIN

Vol : 15 No: 8
August 2001

<http://www.mopar.org>

Mopar Muscle Cars of Austin is a non-profit organization formed September 1986. The MMCA is "Dedicated to the restoration, preservation, and promotion of Chrysler built products." Monthly club meetings are currently being held the first Tuesday of every month at 6:30 PM at Heart of Texas Dodge, 7309 N IH-35, Austin, Texas 78752

The MMCA is open to all persons of good character. Yearly membership dues are \$25.00 per person. As a member, you receive a newsletter with free newsletter classifieds, a discount on parts at participating vendors, obtain access to a network of Mopar parts and paraphernalia, and become eligible to attend club functions as well as show off your Mopar. Non-members may place an ad in the newsletter for a \$5.00 donation. Copies of the newsletter are available for a \$1.00 donation.

2000-2001 Club Officers

Office	Name	Phone	E-mail
President	Glenn Swaffield	(512) 255-3911	my69cuda@austin.rr.com

For their support and generosity

Mopar Muscle

Cars of Austin

August 2001

Editorial

By Steve Lacker

Another month is upon me, and I've got another newsletter to write. But I've also got a case of writer's block, so this is gonna be a thin one! Not to worry, though, YOU can help! I'd love to have anyone who is interested submit articles for inclusion in the newsletter. If you have a topic you want to discuss, be it technical, cosmetic, historical, or just plain interesting to the Mopar crowd, write it up and send it to me at sglacker@texas.net! Be a big-time newsletter writer! (OK, maybe not big-time, but it will eventually make it to the club web page...)

Speaking of the club webpage, everyone needs to go and take a look at the happenings on <http://www.mopar.org>. Carl Samos has been overhauling it and making it much more user-friendly. One of the outstanding new features is a whole collection of "bulletin boards" for various topics. Everything from "engines" to "chassis," "racing," "junkyards," "A-bodies," "E-bodies," "Wanted," "For sale," and so forth is included. The nice thing is, as Carl points out, "its all under our control." The discussion/ mailing list that Dustin Cloud set up for us on topica.com is linked from there also, but the new boards don't have any banner advertisements. Just as with the Topica board, you can choose whether or not to receive updates by E-mail. Within a few hours of going on-line, a couple of posts "for sale" had popped up from non-club members.

The website is also generating more interest in the club- I continue to get several inquiries per month and several folks have stopped by our monthly meetings. I intend to get the club roster to Carl, and we can decide whether to make it password protected for

members or not, and how to make it look. We encourage any ideas or suggestions you have, so send them to me (sglacker@texas.net) or to Carl Samos (carl@samos.org).

I hope everyone is gearing up for the San Antonio Mopar show. It faltered last year, but is back on track for this year and will be several miles closer to Austin than usual. It will be held at "Automania" in New Braunfels on September 29th. I understand that "Automania" is where the museum used to be on the left side of the interstate as you pass through New Braunfels headed toward San Antonio. Its always a great gathering of Mopars, from all around Texas and beyond. See the info in the Calendar section,

I also got word of a new show much closer to home, and unfortunately on the same day. Several members of the Bastrop Cruisers met us last spring at our picnic and introduced themselves. They are holding a car show on the 29th also, at Loblolly Pines Village. For those who can't make San Antonio, this should be another good one. A big plus in their favor is that they are holding a drawing for a nice 18-foot car trailer with electric brakes and built-in winch. We certainly could use a good car trailer in this club from time-to-time. I'm sure Terry's "Lucy" would appreciate the winch for those times when she likes to part company with her driveshaft...

And don't forget the Rosanky swap meet/car show and the Houston Mopar show are coming up as well. Check the Calendar of Events for details.

That's all for now. See you next time!

Steve
