Editorial

By Ron Chinn

The democratic process served us very well at the October meeting. Everyone was on the edge of their seats as the officer's votes were tallied. And the winners are the Twins Dave and Dean Haight are our Presidents, Dustin Cloud is Vice President and Events Director, yours truly will attempt to write the newsletter every month or so, Harry Amon will continue to handle the treasury (Durango Fund) and last, but certainly not least, Enrique Guerra will carry on taking care of the new members duties. Thanks to those who serve and remember our organization is what we make of it. Participate! Speaking of participation a great way to do so is to write an article for this newsletter. You can email stuff (words, pictures and funnies) to any of the officers or give us hard copy and I can scan it. Tell us what you think and what you want our club to be. In this addition of the newsletter another option is presented to you, fill out the questionnaire enclosed and turn it into

one of the officers. Or for those of you who are computer literate electronically fill it out and email it. You can obtain an electronic (MSWord 2000) document by going to the website <http://www.mopar.org>. Recent events in New York have shown just how transient life can be. So Work Hard, Play Harder!

The October meeting also gained the MMCA several new members, Duana Gayle, John Barnhart, Edward Sewell , Robert and Colin Moseley. The Moseley's Roadrunners produced impressive numbers at the Sequin track on the day of the San Antonio Show last month. Welcome one and all.
