Random Thoughts & Club Happenings

Good autumn to you , Mopar fans. It is definitely nice to feel the cooler weather- much more conducive to working on beautiful automobiles! I apologize for the lack of a newsletter last month, but a death in the family and other factors conspired against me, and it wasn't to be

Moving on to new business... I'm mailing this letter early in hopes that you'll receive a copy before the October meeting (Tuesday, October 3rd) so that you'll be aware of a few things before the meeting. First, October is officer election month, so please be there to vote (or better yet, run for office!). Hey, that's one way to fix late and missing newsletters- get rid of the deadbeat officer responsible for it.... Hmmmmmm..... In all seriousness, it would be very nice to see some officer turnover and some new folks stepping up to help out.

Another important point of discussion for the October meeting is the San Antonio Mopar Show. I've received official word that the formal show, originally scheduled for October 7th, has been cancelled for this year. Needless to say, I was very sad to hear this news. The good news is that there will be an informal "show and shine" to keep the spirit of the show going and get back on track for a full-blown show next fall. Here's the info I received in an E-mail from Rene Kraus of MMCSA: *"I am glad you guys are planning on sticking behind us as best you can...the show will take place at Ingram Park Chrysler on 410 between Ingram and Culabra...10AM-4PM..."* What we need to decide at our October meeting is whether or not we'll make the show-n-shine our "official" club activity or not for this fall.

We have another choice- a co-worker of mine is organizing what he hopes to develop into an annual fall car show and rally here in Austin, and its scheduled for Sunday October 8th. Personally, I think the turnout may suffer because of the sunday date, but it would be VERY nice to get a regularly scheduled Austin area car show going. All benefits will go to youth crime prevention programs sponsored by the Kyle police department. Terry and I have been to one of his events before- the "Sunshine Kids" cruise from San Marcos to the state Capitol last year. Mike works very hard to be sure that his events are fun and safe, including police escorts for the cruises. I've attached his flyer to this newsletter. Its an all-make car show, and will probably feature a lot of modern pony car entrants. However, he has solicited South Point Dodge as a sponsoring dealer, so it sure would be nice to give them some Mopars to judge! A cruise follows the car show, and lunch is INCLUDED in the \$25 entry fee. For more info, you can E-mail Michael Marr at f-body97@texas.net

I plan to attend at least *one* of these two events, and I'm sure there'll be further discussion at the meeting. Again I apologize for the short notice- the meeting is only 4 days before the San Antonio show-n-shine and 5 days before the Austin cruise. If you want any further info or want to know about possible meeting times and locations to go to either event as a group, please call me at (512)-295-2884 (evenings) or (512) 835-3286 (daytime) and I'll be glad to pass along any more info.

Another upcoming new event is the LaGrange Autorama open car show and swap meet. We've got a little more time to think before this one- its Nov 11-12. I've attached their flyer to this month's newsletter also.

Dues Blues

The following folks have dues that are due. Please contact Harry Amon or mail your dues to the club mailbox (the return address on this newsletter).

John Molly, Craig Rowling, and Ken Beard are due in October. Heads up to Jerry Pennington and Steve Lacker- you'll be due in November.

---MMCA Website---

We have a website! And its no "prototype" anymore. Thanks to Carl Samos for putting <http://www.mopar.org> together. I think he got us about the best domain name we could have. There are pictures from club events and an archive of club newsletters in Adobe PDF format.
